[REDACTED]

I raised a formal complaint as a board member about the conduct of a board member in writing

Seemingly nothing has been done and it's been in excess of four months - please advise me what has happened, as I am still awaiting a response

I am not aware of the specific format required to do this if the company has a prescribed format please forward same to me as I would like to attend to a few other concerns regarding my fiduciary duties as well.

You are welcome to forward me the documentation or format I must adhere to to resolve the matters

I will be back as scheduled in March but would like to attend to these whilst I have some time to pen my thoughts so we can attend to the matter
