

**AFFIDAVIT OF AGRIZZI WHERE HE SUGGESTS PEOPLE HAVE BEEN
MURDERED BY AGO SUBSEQUENT TO HIS PROPOSAL BEING REJECTED**

Affidavit of Angelo Agrizzi, an adult male with South African Identity Number 671203 5464085, residing at Helderfontein Estates, Dainfern, Sandton, Gauteng Province.

This the 9th May 2018, at 16:00 hereby declare that the statement, as well as the annexures, are of my own free will, and considered to be an accurate representation of the facts.

NOTE; THE ANNEXURES ATTACHED ARE NOT EXHAUSTIVE, BUT I BELIEVE THESE ARE SUFFICIENT TO CONDUCT AN INVESTIGATION FURTHER INTO THE MATTER. NOTE THAT THIS HAS BEEN COMPILED BY MYSELF, ANDRIES VAN TONDER, LEON VAN TONDER AND FRANS VORSTER ARE NOT IN ANY WAY INVOLVED IN THIS SPECIFIC MATTER OTHER THAN MAILS PREVIOUSLY FORWARDED TO ME.

1.

I joined Gavin Watson and the Dyambu group of Companies in May 1998 after having had a successful career in the Molope Group. I was initially employed to attend to marketing, which evolved to various other management responsibilities, including the preparation of tender based proposals. I was not appointed as a Director or an office bearer. Gavin Watson and Danny Mansell had as the joint shareholders a "fall – out", and Danny Mansell opted to go farming. My relationship with Danny Mansell was somewhat strained as Gavin Watson had requested that I took over his position and planned to work together to oust him. I with blind loyalty complied, against my better moral and ethical judgement. I had an unblemished track record within the Company.

SEE ANNEXURE 1.1/2

2.

I had been tasked with numerous projects, some of which I considered legitimate, while others were somewhat dubious tantamount to illegal in my opinion. However, I persevered, based on the fact that Gavin Watson, the Chief Executive Officer demanded loyalty, and I had no prospect of gainful employment as I had been tainted by association with the Watsons. The Company then changed its name to Bosasa Operations (Pty) Ltd.

3.

In 2005, pursuant to scathing newspaper and media reports regarding an investigation into maladministration, corruption and racketeering, I was strategically "promoted" to take over more divisions within the group of companies, which had then earned me the title of "Group Chief Operations Officer" – in hindsight this was merely a ploy to entice me to take on more accountability. Gavin Watson had realized that the SIU investigation would result in casualties, and he repeatedly would say that his signature appears nowhere.

4.

The aforementioned was re-iterated during a visit from Mr Mo Shaik and Ian Small-Smith, where after the meeting, Gavin Watson indicated in front of the Group Chief Financial Officer Andries Van Tonder, that he had made a deal, and that if I just took the blame, the company would get a mere fine, and I would be exonerated against all other charges. I refused, and instead opted to resign, Watson said I should, however later he calmed the situation down.

SEE ANNEXURE 2

5.

The reason I raise the paragraphs above in detail to place the perspective that having worked with Gavin Watson and the Board of Directors, I am well versed in the tactics that are used within the group to avert risk and deal with issues. Incidents have occurred where lives were lost and covered up, and corruption was used to silence people, and threats frequently made. A classic example of this was having received complaints of threats levelled against journalist, editors and other private individuals.

6.

The extent of the threats, manipulation of information, people and intimidation are widespread, and hence I am extremely concerned, as I have seen them being metered out on others, and expect them to occur to myself.

The trend is to commence with a few innuendoes, and these escalate into telephonic calls and confrontation. In instances, it is a fact that force is applied, as well as attacks on the credibility and integrity of the person.

SEE ANNEXURE 2 – Salient points of the meeting held and sent to Brian Biebuyck – 17th July 2017

7.

I am also aware and have experience of Gavin Watson, Johannes Gumede and Louis Passano getting involved with unscrupulous individuals. I have personally witnessed those mentioned above in the company of hired "killers", such as Mdluli, "Killer Ximba" and other known questionable personalities. I have been privy to Gavin Watson instructing people to deal with specific problematic people. Save for the confidentiality, and numerous "shady" people are associated with Gavin Watson.

8.

It is on this premise that I raise a concern regarding the more recent threats made on myself, my family and friends. It is evident that Gavin Watson, Joe Gumede and Louis Passano have embarked on a strategic plan to threaten and intimidate myself. As I have seen in the past, people have been hurt, misrepresented and their persona damaged willfully.

9.

SEE ANNEXURE 2 - ISSUES OF CONCERN

Lindela Operations incidents remains a classic example of the atrocities within the group, which people will for a nominal fee attend to non-conformist severely. Hence my concerns that this has seen the following;

- **Assault and Deaths**
- Attacks on Integrity to destroy people who will not conform to the "Watson Way."
- Creation of false declarations and statements to facilitate doubt and loss of credibility

10.

I am also fully aware of the fact the Gavin Watson has infiltrated the highest echelons and can silence potential risks he comes across. It is common knowledge as (sound recording No 2) ATTESTED TO BY JOHANNES GUMEDE, IN A RECORDING OF DISCUSSIONS AND MEETINGS WITH HAWKS OFFICIALS IN RESPECT OF AN INVESTIGATION, so one remains somewhat apprehensive.

TRANSCRIPT RECORDING NO 2

11.

Having left for annual leave of the Company as early as 15th December 2016, with an existing contract, I was coerced into doing a separation agreement, this being according to having undergone a severe cardiac operation.

I attribute the break down in the relationship, and the resultant threats to the following;

- I had objected to the political alignment of the Company and felt it should be "A" Political in its approach
- A dispute regarding share incentives promised in a contract with Gavin Watson and Cheeky Watson

- The fact that I had determined from the insurance broker that Gavin Watson had tried to claim money out of a "key-man" policy I had, I believe this was equal to about R40,000,000 at the time should I be disabled to work or die. The broker confirmed this Gavin Watson had proposed the application while I was still in a coma in ICU at Fourways Life Hospital.

12.

Having taken time off to heal, it became evident that Gavin Watson as per usual could not face those whom he had "used and abused."
13.

During July 2017, Mr Brian Biebuyck had attended a meeting at the Bosasa (now known as) African Global Operations (Pty)LTD office park. A comment was relayed to me after that by Brian Bievbuyck, that was made by Johannes Gumede – the comment was as follows; "Tell Agrizzi we have been patient, and he needs to be careful, we don't want another funeral shortly." – I see this as a subtle but a direct threat, especially knowing the history of the group.

14.

ADMISSION OF RECORDING MEETING – RECORDING 1
ADMISSION OF RECORDING MEETING – RECORDING 2

On the 18th October 2017, I was informed by Andries Van Tonder, Leon Van Tonder and Frans Vorster, erstwhile colleagues that they had been called into a meeting by Johannes Gumede, Jackie Leyds, both directors to discuss various issues about myself. From the recording attached, the following can be deduced from the statements of Johannes Gumede;

- Numerous times people disappear, to be found shot and killed for no real reason, other than they wouldn't keep silent on sensitive matters
- A more recent example was given of a man, who was found dead in his car, with his jewellery and money intact

- Bosasa had contacts at Westville; an inmate could be released and allowed to attend to a problem, and be returned behind bars afterwards with a perfect alibi
- People who did not comply could be attended to harshly, in fact, it was considered to save the interest of the company a common occurrence in South Africa.

15.

I was quite concerned on when I received the copy of the recording and sent a copy of the recording to Brian Biebuyck on WhatsApp, specifically mentioning that the statement made was not savoury at all, I received no response at all. I also urged Brian Biebuyck to request that his client Bosasa and the directorate desist from doing this to me; however, it merely continued.

AGRIZZI SUGGESTS HE FEARS FOR HIS LIFE AS A RESULT OF A "RECORDING" OF DIRECTOR GUMEDE IN OCTOBER 2017.

HOWEVER HE WAS REQUESTING TO WORK ALONGSIDE GUMEDE ON 10 MARCH 2018, 5 MONTHS AFTER THE "RECORDING" AND 2 MONTHS BEFORE THIS AFFIDAVIT.

Andries Van Tonder, Leon Van Tonder and Frans Vorster had opted according to the meeting they recorded to exit from African Global / Bosasa, and I received a call from Brian Biebuyck instructed by Gavin Watson to intervene and perhaps speak to the three gentlemen and set their minds at ease. At that stage, they informed me that they were done at Bosasa and no longer would have wanted to stay. They had also heard via the grapevine that Watson said they served their purpose and would be retrenched. They had planned to relocate them to a project which would ultimately never work.

17.

I attended a meeting requested by Brian Biebuyck at his house, 23 Balmoral Avenue, Hurlingham at 11:45 and we went to a local restaurant close to his home, where he confirmed that Gavin Watson had requested that I intervene and ensure that the matter is resolved. They were concerned that they would whistleblow and that would have adverse effects on the company.

18.

I indicated that I did not want to get involved. I explained to Brian that the matter was between Gavin and the individuals. Brian Biebuyck mentioned that Gavin was willing to establish a business for them. Brian Biebuyck reiterated that I had no choice in the matter and that Gavin Watson did not expect me to do it without due compensation.

19.

I met with the individuals, and what transpired is that they unpacked their issues to me. (For purposes of confidentiality I cannot reveal in a statement what the process was, or how it was concluded)

20.

On Friday the 1st December I received a call from a friend and a business associate Andy Grudko who mentioned to me he had received a call from a "Dave" who purported to be from the South African Police, he would call on Monday with more information regarding Watson, Agrizzi and Van Tonder. Andy Grudko raised the concern for my safety as it appeared that the caller "Dave" had intimate knowledge regarding the Bosasa SIU case.

21.

ADMISSION RECORDING NO 2 – “DAVE”

The recording refers, and was made on the 4th December 2017 at 09:45, the call was recorded, and the significant points were raised;

- That the three parties should get together sooner than later, set aside differences and resolve the matter
- That the docket regarding the SIU and the Hawks would be attended to for a small fee?
- During the call, it was also mentioned that Gavin could make people disappear.

The caller cell number was identified as 0661 750 491, made from Mimosa Flats – Brackenhurst Alberton. It was evident the phone was not registered.

The matter was referred to Brian Biebuyck, and no response was received.

I concluded that this message and "Dave" was a subtle reminder that if I didn't comply with what Watson wanted, people were, in fact, watching me, and even knew who my associates were.

22.

During the period December 2017 to March 2018, unknown numbers would make threatening calls to me on my cellular, in instances I merely let them ring out. However no voice messages were received, nor any text messages. Having looked at my call history, I noted that I delete the records of phone calls and hence would need to obtain a list of No Caller ID incoming calls from my service provider if this is available. I had become accustomed to receiving threats telephonically as well as numerous calls from previous employees lamenting about their treatment at African Global, and the threats received.

23.

I was informed that during March / April 2018, Gavin Watson had appointed a "Risk Investigator" a certain Mr Andries De Jager – who purportedly was employed by the Special Branch, Hawks and the South African Police. He was tasked with specifically establishing "dirt" on myself so that they could deal with me. The only reason I can think of is that Gavin Watson was delusional in the sense that he did not want to fulfil his legal obligations over the ensuing four years regarding a separation contract I had entered into. I had given them no cause to believe I would default on my contract and had even been called in to resolve the issue between Andries Van Tonder, Leon Van Tonder and Frans Vorster.

24.

On the 21st November 2017 Mr Richard Le Roux contacted Mr Frans Vorster, who in turn reached myself, begging that I intervene, because Richard Le Roux had been investigated, interrogated by Mr Andries De Jager (who at that stage was merely contracted by African Global) and was requested to make a statement exonerating Gavin Watson and implicating myself.

25.

On the 22nd November 2017 I allowed for a meeting and requested that Richard Le Roux provide a statement to save his job, and then a follow-up Affidavit which he would attest to under oath, clarifying the matter, while explaining the original statement as being a false submission. I did help him draft a report and allowed him to submit the previous statement to protect his job.

I was well aware that often employees would be coerced with threats to choose to tell the truth and sit without employment or lie and retain a job.

The concerning matter is when asked by Richard Le Roux, who the investigator was – he was informed via email that the person was "Leon Van Tonder" this concerned me, especially since the "Leon Van Tonder" was investigating myself for no reason. I subsequently have learnt that the "Investigator" was, in fact, Andries De Jager.

Magda Van Rensburg also made mention that the specific "Andre De Jager" interviewed her as "Leon / Andries Van Tonder" – she also raised a concern as to whom he was.

The below mentioned is an exhibit from the statement sent to Lindsay Watson from Andries De Jager, he was then questioned regarding the statement.

Richard Le Roux

Statement to - L. Watson and Gavin Watson

Statement from - Richard Le Roux - ID NO 7110045382082

I Richard Le Roux resident at Summerfield Village, hereby state that Angelo Agrizzi the Ex Chief Operations Officer instructed me and my team to do Special Projects at various sites.

The above is true and binding on me.

Signed 

This the 20th November 2017 at Roodepoort.

21st Nov 2017 10:35

SENT TO BASASA - LINDSAY WATSON
UNDER PRESSURE TO DO A FALSE AFFIDAVIT.
THEREFORE NOT OF ANY EFFECT.

26.

Richard Le Roux was allowed to keep his job on the premise of his statement. Richard Le Roux has a copy of his statement, as all copies of documentation were duly returned.

27.

On or about the 23rd November 2017 I also received a call from Magda Van Rensburg, who had also been subjected to interrogation by Andries De Jager.

28.

On the 2nd February 2018, Mr Peet Venter, the D'Herman Arcy auditor mentioned that Magda Van Rensburg was to be retrenched and that we needed to intervene as evidently, they were going to get rid of any witnesses, including Richard Le Roux. Magda Van Rensburg's husband prepared a letter to the Human Resources officer Mr Johan Abrie, and the process was stopped. What must be mentioned is that at the time, Magda Van Rensburg was being asked to compile evidence against her will to implicate Andries Van Tonder.

29.

On the 2nd February 2018, Richard Le Roux was called in and asked to motivate why he should not be charged for theft, In that work in progress tools and items were found on his property (a company house attached to the offices)

Richard Le Roux then provided the affidavit he had done in November 2017, and he was left alone.

(I don't have any copies at my disposal; however, Richard Le Roux has these)

30.

Numerous staff have contacted me, saying that they have been coerced into preparing statements for Mr Andries de Jager, that are false, with a single intent to descript myself.

31.

ADMISSION ARTHUR HAND ANNEXURE 4

On the 10th April 2018, I received a frantic call from Mr Jason Stoltz, and erstwhile employee of me, saying they were all extremely worried, Mr Arthur Hand had been trying to get hold of me, and that I was in danger.

I called Arthur Hand who was extremely worried and scared.

32.

ADMISSION ARTHUR HAND ANNEXURE 4

On the 9th April 2018, Arthur Hand received a call from Mr Jacques Viljoen, and that Arthur Hand was friendly with me.

The statement reflects the following salient points;

- I was liaising with Arthur Hand, who is known to the biking community
- Bosasa (via Andries De Jager and Louis Passano) had co-opted Delta Blue Security to attend to Angelo Agrizzi, as they felt I had not stuck to my agreement
- Delta Blue is owned by Freddie Fourie, known for elite bouncers and the nightclub security fracas
- Arthur Hand was told to distance himself from Angelo Agrizzi
- Arthur Hand was questioned about the negotiations, wherein he responded he had no knowledge
- Arthur Hand was told that Freddie Fourie was looking into Arthurs relationship

33.

On the 10th April 2018, Arthur Hand attended to meeting with me at my home; he was visibly shaken and disturbed, he had received

another call from Mr Hennie Viljoen of the Crusaders West Rand Bikers Club. The following is a synopsis of the attached statement;

- Mickey Shultz was extremely upset with Angelo Agrizzi, in a meeting it was said, I would use Mikey Shultz to deal with Bosasa – (This I emphatically deny, I had last dealt with anyone from Bosasa on the 15th December 2016, and did not even know of a Mikey Shultz, other than he was involved in the Kebble saga) – I have also never intimidated or threatened anyone in any way.
- Arthur Hand then spoke to a friend Mr Hennie Le Roux, a biker who then talked to Jacques Viljoen, who told Arthur that we needed to be careful
- Jacques Viljoen informed Hennie Hennie Le Roux that Louis Passano and Johann Fourie from Bosasa had given them the information.
- Jacques Viljoen stressed to Arthur that I call him so that he could arrange the mediation between myself and Freddie Fourie.
- Following this for the two days this occurred, an unknown Black Amarok SUV with four occupants was parked outside Arthur Hand's home. The vehicle had no number plates.

34.

10th April 2018

I immediately contacted my brother whom I know knew various people, and I wanted him to get to the bottom of the issue at hand and see what needed to be done.

I was aware of the fact that Gavin Watson and Joe Gumede would resort to using underhanded tactics to threaten me, and had also been informed that the investigator Andries De Jager, Johannes Gumede had a meeting with a third gentleman, merely described as well-built in stature white in his early 40's.

35.

Claudio Agrizzi made contact with Timothy Blackman and had a meeting with him on the 10th April 2018 at his offices, where my brother attempted to clear up the matter, as we were told via Arthur Hand that my wellbeing and life were at risk.

Because I run my life in an open and transparent way, I suggested I clear up the matter myself, as I did not believe the threats concerning Mikey Shultz, and I was certain he wouldn't risk his freedom by falling prey to innuendoes.

I asked my brother to point out that the matter was, in fact, be dealt with by the attorneys, and should stay there, but I would meet the people to assure them I had no interest in them, their activities, and whilst I would have a cup of coffee with them, I didn't want to get involved.

36.

REFERENCE TO ANNEXURES 5/6 /7

Pursuant to Claudio Agrizzi meeting with Tim Blackman, a meeting was arranged at Jeppe High School on the 13th April 2018 for 15:00, as the fathers, Tim Blackman, Mikey Shultz and Claudio Agrizzi were collecting the kids, so I availed myself.

I was duly informed, there had been a prior meeting at the African Global / Bosasa offices chaired by Andries De Jager. Discussions at the meeting as conveyed to me were as follows;

- Andries De Jager explained the situation regarding my package in detail
- Andries De Jager put forward the situation with the matter Andries Van Tonder, Leon Van Tonder and Frans Vorster
- Certain risks were discussed
- Messages sent to me from staff and replies were discussed.

38.

SEE ANNEXURE 6 – EMAIL M WITZ

A cordial meeting held on the 13th April 2018, where I noted that in fact innuendoes were created by Gavin Watson, Joe Gumede, Louis Passano and Andries De Jager. It was evident that in fact Mikey Shultz was not fully versed with the situation and in my opinion did not want to get involved.

The meeting took no longer than 15 minutes, we briefly discussed the matter, and I said that if opportunities existed within the sectors, I operated in we could look at them, I gave a Crearis brochure to this effect as I would do with all people I meet.

I clarified with them that I had no issue and wanted them to understand that I was called into discussions on the Watson Vs Van Tonder's / Vorster matter and that I, in fact, did not want to be a part of it, even though Watson offered me R10,000,000 I wasn't doing it for any money. I was however annoyed that Watson

40.

SEE ANNEXURE 3 – EMAIL INTIMIDATION

I had been accustomed to the unknown number threats at various times of the day, and these did not worry or concern me until the fact that on the 10th April 2018, a direct threat was communicated by Peet Venter to Andries Van Tonder as reflected in the attached email received.

Peet Venter consulted as a tax practitioner to the group of companies, and also voiced his discontent with Watson, more importantly, the threat was made to Andries Van Tonder is summarised as follows;

- Peet Venter requested a private meeting
- Peet Venter had a meeting at African Global with a certain “Freddie” – Freddie Fourie and “Andries” – Andries De Jager with Louis Passano, Joe Gumede and Sesinya Seopela
- Peet raised his concerns about the safety of the Van Tonder’s, Vorster’s and Agrizzi’s, as Gavin Watson had “hired private security who work with dangerous people – reference was made to doing bodily harm

41.

SEE ANNEXURE 8

This matter raised my concern as Peet Venter would not lie to us, and I found it strange that in the email from Brian Biebuyck, he claims that neither Gavin Watson or Joe Gumede are aware of this – YET – Peet Venter acknowledges that a serious risk of an assault exists.

The response from Brian Biebuyck denies that Watson has ever spoken to the individuals, Peet Venter makes mention to Andries Van Tonder that Gavin had only met the individuals on the 9th March 2018.

SEE ANNEXURE 3 – Peet Venter was invited by Gavin Watson to a meeting Monday morning the 9th March 2018

42.

Pursuant to the threats and discussion numerous emails were circulated and what is apparent is that a high level of intimidation with various "real" threats was made. I mentioned this matter to my Attorneys Daniel Witz and Advocate Mannie Witz, who communicated same to Brian Biebuyck.

43.

Brian Biebuyck merely responded by denying the allegations, and therefore I would consider him complicit in the process and will take action regarding the provisions of the Law Society if need be.

44.

SEE ANNEXURE 6

On the 17th April, I receive a strange message from Timothy Blackman, indicating I made a false statement – I did not respond, as I purposefully had asked Claudio Agrizzi to send him the overview on the meeting held on the 13th APRIL 2018.

It appears that the email forwarded to him raised a concern,

I found this somewhat strange and heard nothing again.

45.

IMPROMPTU VISIT FROM TIM BLACKMAN

THE FOLLOWING SCREENSHOTS EXPLAIN THE VISIT

On the Thursday 19th April 2018, I receive a message enquiring if I am OK – my response is evident.

On the Friday 20th April 2018, I get a message as indicated “I’ll see you next week.”

I then on Wednesday the 2nd May, receive an impromptu, I have some time to spare can I pop in to chat.

The brief chat and coffee were held in the intermittent presence of my wife and granddaughter, we discussed items related to the

CCTV industry, my brother's history, and it was as if we were longtime friends.

Tim Blackman was extremely relaxed, and sat in my garage having coffee, looking at my memorabilia.

At no stage during the visit was anything raised, in fact, he complimented me. I gave him as I do with all visitors a bottle or two of wine which I have, to give to visitors as a memento.

The only mention of anything was when Tim Blackman was getting into his car. He said, "I believe the guys are signing today?" I responded I don't know.

This tells me that he had detail on what was happening and when – and could only have obtained the information from Gavin Watson or Bosasa's attorney Brian Biebuyck.

46.

My understanding was there were no issues whatsoever that the matters had been resolved.

I received via my attorneys a mail sent by Brian Biebuyck on the 6th May 2018, an email with a specific extract.

"Over and above the various disturbing disclosures that appear from a copy of the attached sworn statement by Timothy Blackman dated 22 April 2018, contrary to your above statement of 20 March, he confirms, on the say-so of both your brother and yourself, that in fact you did accept the additional R10m which was to be paid in terms of the settlement and that you were prepared to go to extraordinary lengths to secure such payment. For the record, Gavin's rights relative to all the issues that arise from the attached statement are hereby reserved."

ANNEXURE 4 - STATEMENT OF TIM BLACKMAN DATED 22ND APRIL 2018

The attachment was received as follows; IT WAS CONCERNING AS THIS WAS AFTER the impromptu visit to my home, and nothing was even mentioned to myself.

Timothy Niel Blackman: States the following under Oath

1.

I'm an adult male, ID: 7012245385081, 47 years old, currently residing at 467 Killarney Rd, Bredell for the past 15 years. Currently self-employed and owner of Visual Power Protection with contact number: 0824122081

2.

I have known Claudio Agrizzi from 1988. We lost contact after school until two years ago when we met up again and we exchanged Cell numbers. Claudio called me on my cell phone approximately 4 weeks ago one night late. He told me that he knows that I have a relationship with Mickey Schultz since myself and Mickey was in school together. Claudio explained that he heard a rumour that Mickey Schultz were paid money by a certain Gavin Watson (CEO of BOSASA) to intimidate / assault his brother, Angelo Agrizzi that use to work for BOSASA.

I told Claudio that due to the severity of the rumour I would call Mickey and get back to him. I spoke to Mickey and explained to him what Claudio told me. Mickey stated that he has never heard the name BOSASA, Gavin Watson or Angelo Agrizzi. I called Claudio back and told him what Mickey said, Claudio asked that I go and meet with Mickey and discuss the allegation with him further. I told Claudio that I would need some sort of explanation or background as I was not aware of what the detail was that led to the rumour. Myself and Claudio then agreed that I would meet him at his office in Germiston that he could explain the "background" to me.

3.

The following morning (I cannot recall the date), I went to Claudio's office, upon arrival he took me to his private office where he started explaining the following to me on the white board in his office:

- His brother Angelo worked for BOSASA
- Gavin Watson owned BOSASA
- A Mutual separation agreement was done between the business and Angelo where Angelo were paid R60Mil as well as R300 000.00 per month
- He mentioned that Andries van Tonder, Frans Voster and Leon van Tonder were also min the process of signing there Mutual separation agreements for R30Mil, but Angelo was facilitating and advising them regarding this as Angelo would get another R10 mil for this "service/negotiation" which would take the total to R40mil.
- He mentioned the names, Louis Passano, Mike Fourie as well as Delta Blue.
- He also mentioned Arthur Hand and stated that he is involved with a biker gang and he too had a phone call from someone regarding Angelo.

He printed out several E mails which reflected communication between Angelo and Claudio, he also handed me several reports from his computer (I kept all these and it is available upon request). Claudio told me that he suspected that Gavin Watson has paid Mickey Schultz to either assault or intimidate his brother Angelo Agrizzi. I once again told Claudio that Mickey has never heard either of the names "Gavin Watson or Angelo Agrizzi".

Claudio told me that he and his brother Angelo had discussed and planned in detail that they would "lure" Gavin Watson to Angelo's house for a meeting under the pretence that they wanted to finalize the ongoing negotiations. They then required Mickey Schultz to either walk out of the cupboard into the room where they would conduct the meeting or he could just hide in the kitchen and then walk into the lounge to Intimidate or "sort" Gavin Watson. Claudio explained that if they could get this done they knew that it would make the negotiations easier and "soften Gavin up" for the additional R10mil for Angelo, as Gavin was a very difficult man. Claudio asked me to speak to Mickey and get him to agree to their plan. I left Claudio's office.

The very next day I received a call from Angelo Agrizzi, on my cell phone. Angelo asked me if I have spoken to Mickey regarding what Claudio has spoken to me about. I told him that Mickey stated that he has never heard the names "Gavin Watson or Angelo Agrizzi".

They then required Mickey Schultz to either walk out of the cupboard into the room where they would conduct the meeting or he could just hide in the kitchen and then walk into the lounge to intimidate or "sort" Gavin Watson. Claudio explained that if they could get this done they knew that it would make the negotiations easier and "soften Gavin up" for the additional R10mil for Angelo, as Gavin was a very difficult man. Claudio asked me to speak to Mickey and get him to agree to their plan. I left Claudio's office.

The very next day I received a call from Angelo Agrizzi, on my cell phone. Angelo asked me if I have spoken to Mickey regarding what Claudio has spoken to me about. I told him that Mickey stated that he has never heard the names "Gavin Watson or Angelo Agrizzi".

Those as mentioned earlier disturbed me, as it was typical of the threats and intimidation used by Gavin Watson and I immediately responded to my attorneys with regards to the matter.

I also knew that the allegations were extremely dangerous and needed to be dealt with, so I copied in my brother whom Tim Blackman had accused, and requested if this was true and if he could do an affidavit setting out the discussions.

Claudio Agrizzi also re-iterated that Peet who worked for him was present at the meeting and would also give his interpretation of the discussions.

Disclosure Discussions Claudio Agrizzi HIGHLY CONFIDENTIAL Affidavit

Affidavit of Claudio Agrizzi
Identity Number 7312045010081

I Claudio Agrizzi, a male aged 44, residing at 17 Merdyk Str Lambton Germiston for 14yrs, Self employed @ SEMEG based in Delville Germiston. I hereby declare that the attached affidavit is a true reflection of prior to and the Meeting Dated 11 April 2018 at our offices with Mr Timothy Blackman and Peet Coetzer.

1.

A previous employee of the Bosasa group allegedly received a call from a Mr Viljoen from the Crusaders Bikers Club stating that there was a rumour that Angelo Agrizzi had requested the assistance of Mr Schultz to put pressure on Mr Watson to speed and increase the payouts due to Andries, Leon, Frans and that its better for him to cut his association with them. This was not the case as Angelo has had no contact with Mr Schultz or any of the affiliated parties. Knowing the brief of the situation I then contacted Timothy Blackman an old friend from school who has contact with Mr Schultz and further explained the situation in detail as per 2.

2.

Meeting at SEMEG offices in the presence of Myself and Peet Coetzer with Timothy Blackman on 11 April 2018 to explain the situation in depth regarding the current state of this rumour with all affiliated parties prior to Timothy Blackmans meeting with Mr Schultz that evening as pointed out below:-

- Base agreements of Angelo Agrizzi's exit in late 2016 from Bosasa organisation.
- Angelo Agrizzi was requested to intervene in the matter by Gavin Watson (Bosasa/ African Global) and Brian Biebuyck (Bosasa Attorney) in the settlement agreement of Andries Van Tonder (AVT), Frans Voster (FV), Leon Van Tonder (LVT). The Exit agreement for AVT, FV, LVT was briefly discussed and emails pertaining to this matter had been given to Timothy with the recording of Mr Joe Gumede (Bosasa/ African Global Chairman) stating that Angelo Agrizzi must be careful as he has connections in the prisons. (this is all available on request).
- The main subject of the rumour regarding Mr Schultz was discussed and the meeting was to stop this rumour before it gets out of hand as this would just be unnecessary to the current exit agreements. It was brought up by Timothy that perhaps we should call the parties that spread this rumour and the affected parties together to end this. He suggested that himself and Mr Schultz should hide away and then walk into the meeting to startle the party that spread the rumours. It was mine Peet Coetzer and Timothy's opinion that this was a scare tactic put forward by someone and could quickly be resolved. This was in no way caucused to intimidate anyone for any gain, but to end this rumour and was never agreed to pursue as we never saw the need to go that route just to end the so-called rumours and end this.
- Timothy Called up Mr Schultz to confirm the appointment with him and asked if he had ever heard of this rumour Mr Schultz confirmed that he hadn't heard of this but assured Timothy that they could meet later.
- Timothy had the meeting and confirmed with me on a call that Mr Schultz had never heard of Bosasa, Gavin Watson or Angelo Agrizzi and that he would arrange a meeting at Jeppe for us to all meet and clear the air. Further to this Timothy confirmed that the investigators at Bosasa/ African Global was a company known as Delta Blue who Mr Schultz knows and perhaps Angelo Agrizzi should rather leave it up to AVT, FV, LVT to finalise this matter.

3.

On 13 April 2018 @ 15:30 meeting with Myself, Angelo Agrizzi, Timothy Blackman, Mikey Schultz, and others the reason for this meeting according to Timothy was to clear up the matter. The meeting was friendly, and it was suggested to Angelo Agrizzi that it would be better for him to walk away from the negotiations, and that they suggest this be signed and sealed by the end of day. Angelo Agrizzi confirmed that he would step away from the negotiations and confirmed this in email (available on request) but couldn't guarantee the sign off. It was also explained again by Angelo that he had said to Brian Biebuyk that the additional R10mil that Gavin Watson had offered for him should rather be put toward the Exit agreements of AVT, LV, FV and that the original amount for intervention agreed on was R2,5Mill with 10% of this value was paid in November 2017. It was suggested to me by Angelo that if he would receive the balance of the intervention figure he would donate it to the new children's home in the Eaststrand that was mentioned in the meeting at the school

4.

From the 13 April 2018 I have requested that I do not get dragged into this any further. I am more than willing to put forward meeting recordings and events if need be. In support of any court application I would request that the honourable court subpoena the following persons to testify on the statements made and the truth of the allegations stemming from my statement.

- Peet Coetzer.

I can further prove that the events above are a true reflection of the events and have no objection to stand witness.

STATEMENT OF PEET COETZER

Affidavit Petrus Coetzer
9 May 2018

I Petrus Coetzer ID 780423 5051 081 currently residing at 188 Willow rd, Marister, Benoni for the past 8 years. Employed at Semeg based in Delville, Germiston.

I was present at the Semeg offices 11 April 2018 when Timothy Niel Blackman visited Claudio Agrizzi. At first the initial meeting seemed to be about the Jeppe basketball hoop upgrade/replacement – hence the technical aspect of the meeting I was present as all the possible configurations and limitations of the basketball hoop assembly and manufacturing was discussed. As the meeting progressed I moved between the drafting office and Claudio's office confirming details etc.

Upon returning to Claudio's office at one stage Claudio mentioned that himself and Tim were at school together and chatted about the old days. I saw that names and figures on the white board in Claudio's office and recognise the subject matter of their discussion. Claudio didn't change the subject as he often discussed personal and family issues with me, as we regularly seek advice and support on a personal level.

Tim quickly warmed up to me being present in the meeting and the discussion about Angelo Agrizzi not using Mickey Shultz name to threaten/scare/intimidate Gavin Watson as from what I could gather at that stage was a rumour to disrupt or win time in Angelo's and Gavin's dealing with some guys leaving Bosasa.

In two separate instances Tim suggested that he will talk to and arrange with Mikey that himself and Mikey go to Angelo's house whilst Angelo invite Gavin over for a meeting and then burst into their meeting surprising Gavin and asking him face to face who started the rumour that Angelo spoke to Mickey to threaten/scare/intimidate Gavin as this rumour was all lies.

I understand the content of this affidavit.
All statements above is true.

ANNEXURE 4

I attach hereto my response directed to my advocates, attorneys regarding the issue, where I once more express my disgust and fears regarding the manner in which I have been threatened and my credibility affected.

50.

POTENTIAL THREATS

1. I refer to the threats I have detailed in my affidavit and supported with the various screenshots and attachments, and while I know I am bound by a confidentiality agreement, I have been advised that this does not preclude me from raising the concerns in light of a genuine threat being posed.
2. In South Africa, everyone is at risk, we hear of untimely deaths regularly. As an honest, law-abiding citizen, I am now at risk of being killed, especially given the background of the people that have crossed my path.
3. I currently live in fear that as stated by Johannes Gumede, recorded, that African Global, Gavin Watson and Louis Passano have mindset to take out a contract on me, perhaps it explains why a specialist contractor would be employed and paid under a separate company (I will provide further information pending discussions with my Advocate about a warning I received regarding the fact that the association with Blue Delta and African Global was kept at arms-length)
4. Furthermore, I have been compromised regarding my location, and Gavin Watson is fearful that I might be called as a witness to answer a corruption charge relating to an SIU investigation into Correctional Services, so a real threat exists.
5. Numerous outstanding cases, of which I have intimate knowledge are of concern, as Gavin Watson, Joe Gumede and

Louis Passano would not hesitate to contract in a criminal faction to remove a problem and assassinate me.

6. It is important to make mention that Mr Louis Passano has two convictions on criminal charges, one for Culpable Homicide and one for Cruelty to Animals. In assisting Mr Passano, it is also evident that when I employed him, he lied about his history and it is obvious that he was coordinating Mr De Jager's employment.
7. It was noted to both Magda Van Rensburg and Richard Le Roux, as well as Frans Vorster that Andre De Jager reported only to Gavin Watson and Louis Passano.
8. Mr De Jager coordinated the meeting with Freddie Fourie from Blue Delta, and I am aware that Lindsay Watson (Gavin Watson's daughter) and Louis Passano signed the payments made.
9. Statements it appears have been manipulated in such a way as to cast dispersions on the actuals facts – A serious matter is raised and only after some time is a statement produced to counteract the allegation.

51.

RESOLUTION

1. I can confirm that I have not contravened the terms of my separation agreement with African Global / Bosasa / Consilium and that I have held confidential what would not in the normal course of business affect the company.
2. I can confirm that the parties Van Tonder and Vorster have no part in this application and matter other that has given me the information
3. I do however feel that the threats are warranted and must be dealt with accordingly.

4. I have spoken to Mr Willie Hoffmeyer, at the National Prosecuting Authority, Weavin Park, Westlake Ave on the 9th April 2018 as indicated in the initial meeting relating to the matter of my safety and asked for advice on how to attend to the matter, and which process to follow.
5. If required and deemed necessary I will enter of my own free will into witness protection and fully cooperate with the authorities.
