

AGRIZZI CONFIRMS HE BECAME AWARE OF CRIMINAL CHARGES AGAINST HIM IN AUGUST.

29 JANUARY 2019 – DAY 42

ADV PAUL PRETORIUS SC: 2018.

CHAIRPERSON: 2018?

MR ANGELO AGRIZZI: Yes.

CHAIRPERSON: Oh, we are in, we are in August 2018?

MR ANGELO AGRIZZI: Yes.

CHAIRPERSON: Okay, alright.

MR ANGELO AGRIZZI: 53.9. I get a call. This is on 31 August 2018 I get a call in the afternoon from City Press. They have just had a meeting with Joe Gumede and Papa Leshabane. They have just had a meeting with Joe Gumede and Papa Leshabane and they want to send me comments, questions. Chair I did not even know that they had opened up a police case against me Joe Gumede and Papa Leshabane at Douglasdale Police Station. I did not even know. City Press told me. They had opened up the case earlier at the police station. So I said well it is very strange you know why would you, what is the intention to go to the City Press have a meeting with them, Papa and Joe Gumede and then hand over the recording to them from their side. So, but even worse City Press knew that there was a police case. I did not even know. Nobody phoned me. I eventually phoned up the inspecting officer and went and saw them to, so that they do not think anything funny, but I am trying to say is that this case had been opened up and it is pending or I do not, actually do not know what is happening with it. I have been too focussed on this. On 1 September I mean that is literally August/September this lady starts putting out things on social media on me and all that type of thing.

CHAIRPERSON: Which lady now?

MR ANGELO AGRIZZI: It is one of the ladies who are complaining, one of the three press; puts our article on the very next day.
